Sunway introduces Canadian education to its Johor township

SUNWAY Property recently announced its upcoming plans to establish Sunway International School (SIS) in Sunway Iskandar, its largest township project spanning over 1,800 acres in the southern region.

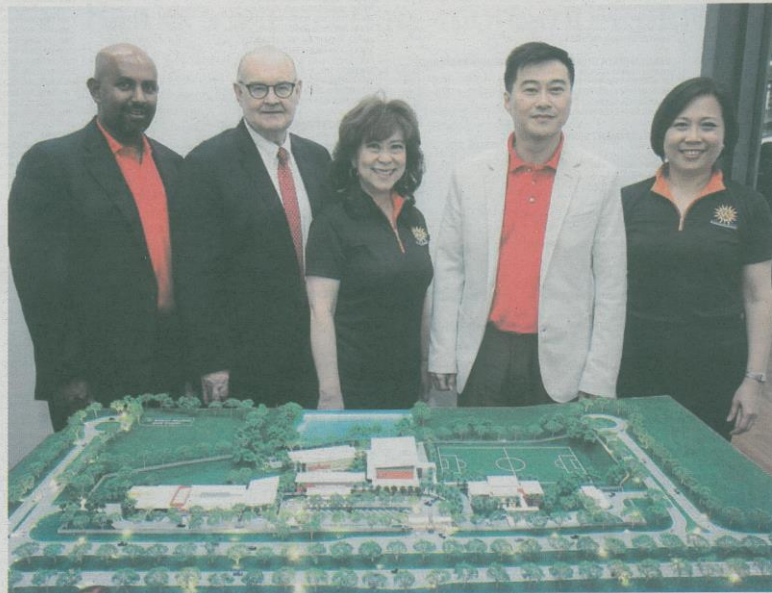

Scheduled for its first intake in 2017, SIS Sunway Iskandar will take the lead in Iskandar Johor to offer the Canadian (Ontario) curriculum, rated as one of the world's best school systems.

Sunway's Executive Director for Property and Construction, southern region and Singapore, Tan Wee Bee said with 40 years of expertise in the property industry, Sunway is continuously working towards developing liveable townships and sustainable quality living in a community.

"With SIS Sunway Iskandar, we are confident that residents at Iskandar will have the privilege of world-class education which will in turn shape the holistic lifestyle of the community," said Tan.

SIS Sunway Iskandar will host its pre-enrolment for the new campus in Jan 2015 for its pre-school up to pre-university levels.

The school is also a candidate for the International Baccalaureate Diploma Programme (IBDP) and will also provide the Inter-

national Baccalaureate (IB) education framework for its pre-university students. Sunway Education Group's senior Executive

Director, Dr Elizabeth Lee, said the company is proud to be able to contribute to the Iskandar community through the provision of

international education.

"The state-of-the-art campus is designed to nurture minds and build characters, especially with our curricu-

lum which focuses on educational technologies and emphasises soft-skill developments," she highlighted.

With English as the medium, SIS Sunway Iskandar will be taught by Canadian certified teachers and IB certified educators. In addition, it will be the first international school in Johor to implement a full laptop-programme.

The Sunway Iskandar township is strategically located at the heart of the Medini township, where it is seamlessly connected to major highways, enabling greater connectivity into Johor Bahru, Iskandar and Singapore.

The completion of the Coastal Highway Southern Link (CHSL) in 2017 will further provide easy access to the campus and Sunway Iskandar for neighbouring residents.

Meanwhile, Sunway Property and Sunway Education Group collectively announced its special bursary programme, which are attractive benefits made available to any Sunway Iskandar buyers.

A special bursary of RM10,000 is also available to all student enrolments. The bursaries are valid for 24 months from the date of the school's opening and applicants are eligible to both special bursaries under the stipulated terms and conditions. - Pavithar Sidhu
